Cerca coders sulla mappa

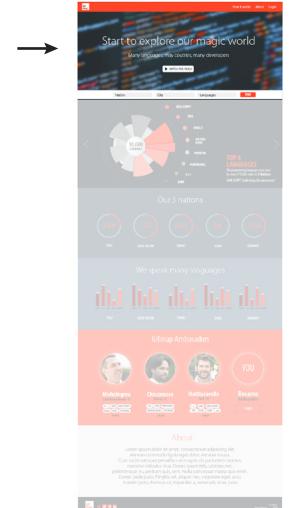

The image shows a proposed design for the homepage of a platform called "Git Map". The background features a world map composed of numerous small white dots on a light gray background. Seven red location pins are placed on the map, one in each continent. Overlaid on the map is a large, semi-transparent white rectangular area containing the following text:

**Start to explore our magic world**  
Many languages, many countries, many developers

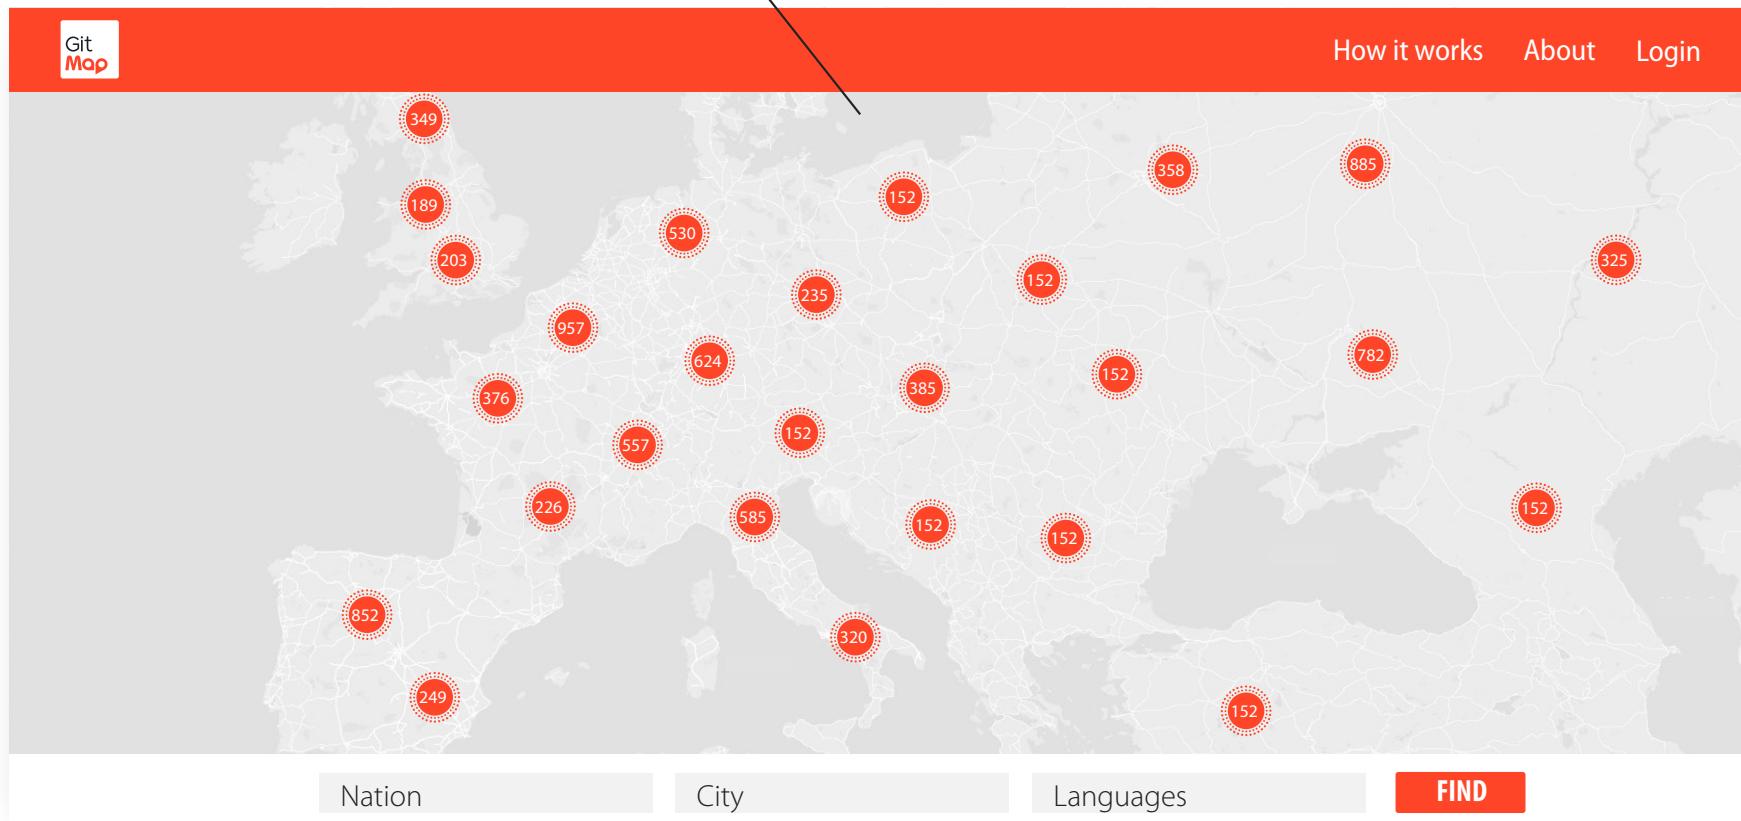

At the bottom of this area are three input fields: "Nation", "City", and "Languages", followed by a red "FIND" button.

At the top of the page, there is a red navigation bar with the "Git Map" logo on the left and "How it works", "About", and "Login" links on the right.

Languages

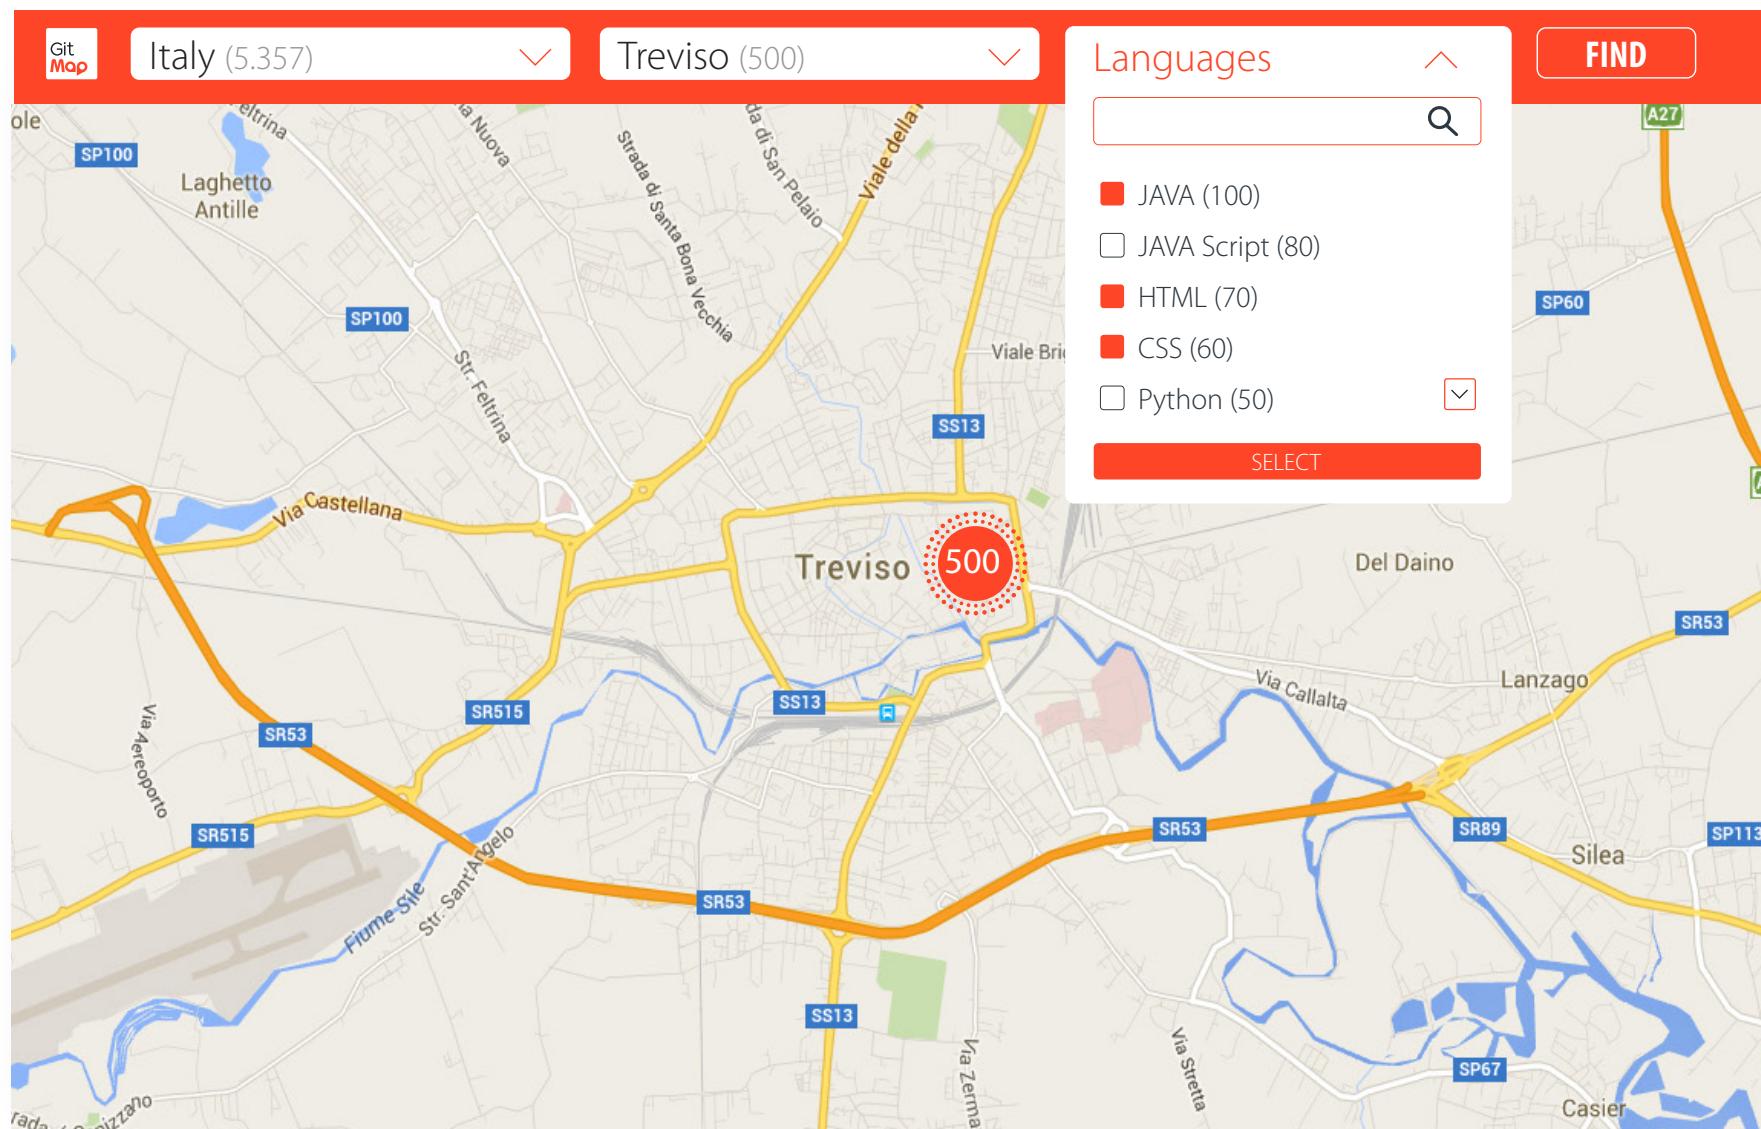

**JAVA**

- JAVA (100)
- JAVA Script (80)
- HTML (70)
- CSS (60)
- Python (50)

CLOSE FIND

The map displays the city of Treviso and its surrounding areas. A red circle with the number '500' indicates the count of Java developers in the city center. Major roads are labeled with codes such as SS13, SR53, SR515, SP100, and SP67. The map also shows several lakes and rivers, including the Fiume Sile and Str. Sant'Angelo. The interface includes a search bar for languages and a 'CLOSE' button for the sidebar.

## Focus: la selezione dei filtri

## I risultati della ricerca

The screenshot shows the GitMap search interface with the following elements:

- Header:** A red header bar with the GitMap logo, search input fields for "Italy (5.357)", "Treviso (500)", and "Languages (25)", and a "FIND" button.
- Search Results:** A list of profiles on the left and a map on the right.
  - Michelegera:** Profile picture, name, location "Castelfranco Veneto", and a "vai alla scheda >" link. A "Tag linguaggio" callout points to the "SHELL" tag in the profile tags.
  - Chiccorusso:** Profile picture, name, location "Treviso", and a "vai alla scheda >" link. A "Tag linguaggio" callout points to the "CSS" tag in the profile tags.
  - Mattiacarollo:** Profile picture, name, location "Motta di Livenza", and a "vai alla scheda >" link.
  - Marianov:** Profile picture, name, location "Rustigène", and a "vai alla scheda >" link.
  - Ecalderan:** Profile picture, name, and a "vai alla scheda >" link.
- Map:** A map of Treviso showing roads like SS13, SP100, SR53, and SR515. A red circle with the number "25" indicates the count of results. A "Link alla scheda profilo" callout points to the "vai alla scheda >" link under each profile.
- Bottom Navigation:** Buttons for "Profilo" and "Logout".

I risultati della ricerca senza selezionare filtri: ricerca casuale produce ugualmente risultati
